### Race Rules & Regulations

Must be a purebred Dachshund – This does not mean they have to be AKA registered. If their shot record from the vet indicates breed of dog as Dachshund –then it is a wiener dog. If it looks like a wiener it will be considered a wiener.

All dogs must be leashed and will be asked to leave if unruly. As stated above, vaccination must be current and owners are required to clean up their pets waste. Owners and dogs should be on their best behavior (i.e., no fighting, nipping or biting).

Only two handlers in the race area per dog– one at start, the other at the finish line. No waving of blankets or large objects. You may bring you dog's favorite toy.

Races will be run in heats with the winner of each heat racing against the other heat winners in their division. Only dogs in charity walk, contest & race permitted within race area.
