

Meet Ruby

Beauty is in the eye of the beholder.

Ruby is very thankful for her second chance on life. Neglect brought her to the Animal Shelter and her past owner was nowhere in site. Infection took Ruby's eye, but not her spirit. The Santa Barbara County Animal Care Foundation purchased the surgical tools so Ruby's enunciation could be performed at the Shelter's Animal Care Foundation Clinic. She has been adopted and is happy to witness the beauty of her new family.
